Team Mom Guidelines/Job Duties

Formation of snack schedule:

It is recommended that you assign parents a date and let them switch with others if it does not agree with their schedule. It should also be noted, snack vouchers are available for purchase through the concession stand (visit the concession stand for more details).

Assigning Concession Stand Rotation

Each team is required by the Julington Creek Baseball (JCB) league to fulfill volunteer obligations to the concession stand by assigning volunteers to work in the stand as directed by the Concession Stand Committee. Neglecting to fulfill these obligations will subject your team to penalties as directed by JCB.

It is the duty of the team mom to select these volunteers and is recommended by JCB that volunteers be selected in the following manner:

Eliminating the coach, assistant coach, team mom, all parents regularly assisting in a coaching role, committee members and board members; place the remaining parents' names in a "hat" and draw the appropriate number of volunteers required for your team's assigned concession duty.

Spring Season Opening Day Carnival:

All teams are required to select volunteers to work during the opening day celebration/carnival at the beginning of spring baseball season. Volunteer requirements will be directed by the Volunteer Coordinator and Concession Stand Committee. It is recommended by JCB that volunteers be selected in the following manner:

Eliminating the coach, assistant coach, team mom, all parents regularly assisting in a coaching role, committee members and board members; place the remaining parents' names in a "hat" and draw the appropriate number of volunteers required for your team's assigned concession duty.

Team Sponsor

It is a requirement that all teams retain a team sponsor. Team moms are urged to assist the coach in coordinating efforts to secure a sponsor for your team and turning in appropriate forms.
